

## **NOTICE OF CHANGES IN PARKING ORDINANCE DURING SNOWFALL**

**November 2014**

**Dear Residents of Kankakee:**

**The City Council recently adopted an ordinance which has designated certain streets as "Primary Snow Routes." These Primary Snow Routes are listed on the back side of this notice.**

**Effective immediately, if there is a snow fall of 2" or more, there is no parking permitted on these streets until the snow has stopped falling and the snow is cleared from the streets. These streets will be the first to be plowed.**

**In the event that vehicles are parked on the street during a snowfall of 2" or greater, the vehicles may be towed and a citation will be issued.**

**We know that this is an inconvenience. The effect of the ordinance will require you to either park in an alley or on an alternate street. However, this modification will allow the City to be able to clear all of the streets and alleys in the fastest and most efficient manner possible.**

**The prohibition of parking on the odd numbered side of the street on odd days of the calendar and even numbered side of the street on even days of the calendar when a snowfall of more than 2" occurs remains in effect for all remaining streets not designated as a Primary Snow Route.**

**If you have questions you may contact your Alderman or the Office of the Mayor at 815/933-0500.**
